

## COLLECTION PREMIÈRE MOSCOW

### +++ SUNGLASSES – now also included in the CPM Accessories line-up

Sunglass suppliers are an increasingly prominent feature at international fashion fairs. After all, high-fashion sunglasses are part and parcel of trendy outfits today. And fashionistas have long since made eyewear their own.

This is why **CPM – Collection Première Moscow**, Eastern Europe's biggest fashion trade fair, decided to include this new group of goods in its portfolio. From 31 August to 3 September 2016, when Moscow's exhibition centre Expocentre opens its doors again to some 19,950 trade visitors, several stands in the Accessories area of Hall 82 will be reserved for glasses. Interested suppliers can contact the organiser Igedo Company sending an e-mail to Luisa Cardoso, at [cardosa@igedo.com](mailto:cardosa@igedo.com) or Tatiana Boutler at [boutler@igedo.com](mailto:boutler@igedo.com).
